

Guidelines for a Great Tour

In order to make the most of your tour at the Farmers Branch Historical Park, please ensure that all guests do the following:

1. While at the Park, please keep your hands to yourself until you are invited to participate in hands-on activities by Historical Park staff or volunteers. Some items are too fragile to be touched by anyone, but most areas have hands-on areas for guests.
2. Please raise your hand when you would like to speak.
3. Please walk when you are the Historical Park. No running or horseplay will be permitted while on your tour. Adults, please ensure that your groups move quickly between stations on your tour so that the most time possible is devoted to education.
4. No food or drinks are allowed inside the buildings. Leave any food or drink on the porches or outside the structures.
5. Please take pictures at the end of your rotations, not during the presentations.
6. All cell phones and electronic devices should be off during the tour.
7. Some areas are too small to accommodate large numbers. Parents and chaperones may be asked to wait outside or look through the windows. Your students are our priority.
8. Any disruptive behavior will result in the removal of the student from the tour group. Students who have been removed will spend the remainder of the tour in the Park Office or on the bus.
9. Have a positive attitude and be prepared to participate!
